

CONSTRUCTION MACHINERY / WHEEL LOADER

CAT 908H2

Available · Location 2512 Oeynhausen, Austria

YEAR	OPERATING HOURS	OPERATING WEIGHT	CONDITION
2014	6.800 h	6.465 kg	2 (very good)

Description

The CAT 908H2 is a compact wheel loader distinguished by its versatile applicability and solid engineering from Caterpillar. This 2014 unit is in well-maintained condition (grade 2) with 6,800 operating hours and comes with a complete three-piece attachment package: quick coupler, pallet forks, and bucket are already included. Thanks to the universal quick coupler, the machine can be converted for a wide variety of applications – from loading operations to palletising – with minimal effort.

Features & Equipment

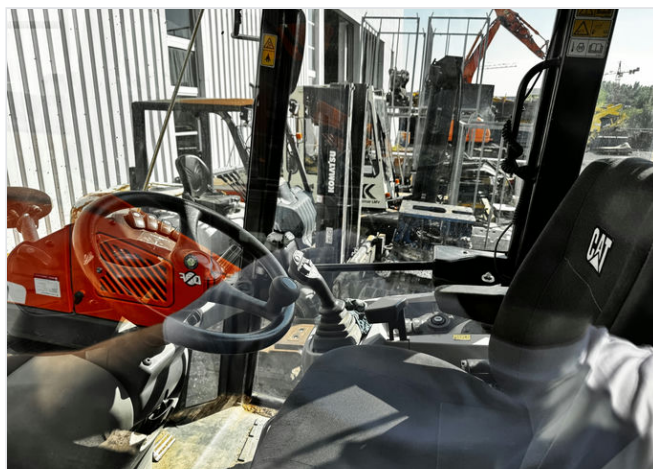

Quick coupler, pallet forks, bucket
