YEAR	OPERATING HOURS	OPERATING WEIGHT	CONDITION
2016	11.500 h	22.930 kg	2 (very good)

Description

DORALCO GmbH is offering a used Doosan DL420-5 wheel loader in good used condition (Grade 2) for sale. This Doosan machine impresses with an operating weight of 22,930 kg and is designed for demanding loading and material handling tasks in the gravel, bulk material, and earthmoving sectors. Particularly noteworthy is the factory-fitted joystick steering, which significantly increases operator comfort and reduces operating effort. The central lubrication system ensures scheduled lubrication cycles and helps reduce maintenance requirements.

Features & Equipment

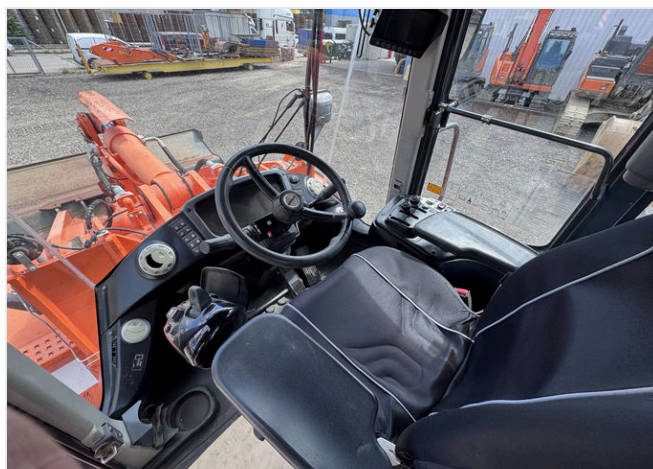

Joystick steering, central lubrication system, 4.5 m³ bucket with bolt-on cutting edge
