Description

For sale is a Doosan DX140LC-5 crawler excavator, year of manufacture 2018, in well-maintained condition (grade 2) with 6,200 operating hours. The machine is equipped with Roadliner rubber-protection tracks, which noticeably reduce wear on both the ground surface and the undercarriage – a clear advantage when operating on paved surfaces and in road construction. The factory-fitted Lehnhof quick coupler enables fast attachment changes without any conversion effort; the included 800 mm digging bucket completes the ready-to-use standard specification.
