

CONSTRUCTION MACHINERY / CRAWLER EXCAVATOR

Doosan DX 140LCR-5

Available · Location 2512 Oeynhausen, Austria

YEAR	OPERATING HOURS	OPERATING WEIGHT	CONDITION
2018	2.700 h	16.100 kg	1 (as new)

Description

For sale is a Doosan DX140LCR-5 crawler excavator, year of manufacture 2018, with only 2,700 operating hours and in as-new condition (grade 1). The machine impresses as a fully equipped reduced tail swing unit: complete with dozer blade, PowerTilt, three digging buckets, and new steel tracks with rubber pads, it is ready for immediate productive use – with no need for retrofitting. The short tail swing radius makes the DX140LCR-5 particularly attractive for operations on confined job sites in built-up areas, pipeline construction, or civil engineering in urban environments.

Features & Equipment

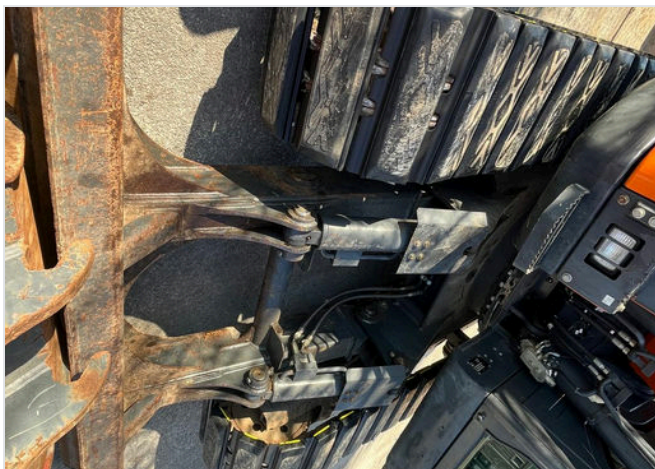

Reduced tail swing machine, with dozer blade, new steel tracks with rubber pads, PowerTilt, 3 digging buckets
