| YEAR | OPERATING HOURS | OPERATING WEIGHT | CONDITION     |
|------|-----------------|------------------|---------------|
| 2020 | 6.600 h         | 25.400 kg        | 2 (very good) |

### Description

For sale is a Doosan DX255LC-5 crawler excavator from the year 2020 in very good condition (condition rating 2). With 6,600 operating hours and an operating weight of 25,400 kg, this machine from the mid-range 25-tonne segment is ready for immediate deployment. The excavator is equipped with a quick coupler, which significantly speeds up attachment changes in everyday site operations. The Doosan DL06P engine meets Emission Stage IV without a diesel particulate filter, reducing maintenance requirements and downtime. A well-maintained machine of this vintage with a manageable number of hours, suited for demanding earthmoving and civil engineering work.

### Features & Equipment

Quick coupler
